PRE-COLLEGE PROGRAM REGULATIONS

As a rule, all that is against the law in Italy is prohibited to our students. As students in the pre-college program may be minors, there are additional conditions and regulations by which students are expected to abide by. Students are expected to participate in all program activities, unless they have prior authorization by a parent or guardian. Students will have a limited amount of free time throughout the day and in the evening however there will be a curfew which all students must respect. AUF enforces a strict no alcohol and drugs policy. This applies also to students who may be of legal drinking age in their home country or according to Italian law.

CANCELLATION POLICY

For all programs, tuition/entire program cost liability is based on the date on which a formal written cancellation request is received by AUF. If a cancellation notice is received:

- Within 30 days prior to the term start date*, the student will be liable for 30% of tuition/entire program cost.
- Within a period of 30 days to one (1) week prior to the term start date*, the student will be liable for 50% of tuition/entire program cost.
- Within one (1) week prior to the term start date* the students will be liable for 100% of tuition/entire program cost. Under no circumstances will a refund be made. Failure to attend does not constitute official cancellation.

LEARNING DISABILITIES

For students with certified learning disabilities please include documentation along with the application form. AUF is committed to providing all students with a comfortable, productive and non-discriminatory academic environment. Assistance is offered to students who have certified learning disabilities and submit documentation to the Academic and Admissions Offices before arrival in Florence. Students should note that they may not have the same level of services and facilities available to them at their home institution. Notification or documentation of a learning or physical disability may not be submitted once the term has started. AUF will process the request and inform the student of accommodations if authorized.

INSURANCE

All students must be covered by international health insurance for the duration of their stay in Italy which covers both emergency and general health care. It is the responsibility of the student to ensure that they have adequate health insurance coverage for the duration of their stay.
